PROFILE:

I am a conscientious and hardworking individual currently looking for a position as a Front End Developer.

I am presently pursuing Front End Developer Traineeship and I will also present my thesis in August 2018 to complete BSc in IT Management. Prior to this, I worked in the beauty industry where customer care and attention to detail are vital. I am an excellent communicator, and can work under my own initiative or as a part of team. I am punctual, reliable and pay attention to detail. I enjoy the challenge of learning new skills in a fast-paced workplace environment.

I am familiar with the following languages and technologies: HTML5, CSS3, JavaScript, JQuery, AngularJS, Bootstrap, ASP.NET, C#, SQL, NOSQL, bash

OBJECTIVE:

I believe I would be well-suited for a Junior Front End/UI Web Development role as my current skills, interests and qualifications are focused on building my career path in Web Development.
